*What are the ingredients in Javita's **ActiveBlendz Control**?*

Citric acid, natural flavors, garcinia cambogia and gymnema sylvestre, stevia leaf extract, pomegranate fruit juice powder, grape fruit juice powder and natural favors.

*What is citric acid?*

Citric acid is a natural preservative derived from fruits. It's been awarded GRAS status—meaning it is generally regarded as safe. It has been included to help provide flavor balance.

*What are the natural flavors used in **ActiveBlendz Control**?*

The natural flavors in ActiveBlendz Control are derived from a proprietary blend of extracts and fruits. Individual ingredients are considered trade secrets and not not disclosed.

*What is *garcinia cambogia*?*

Recently touted by Dr. Oz as the “holy grail of weight loss,” *garcinia cambogia* helps cut your craving and blocks an enzyme preventing carbs to be stored as fat decreasing your appetite and cutting your portions.

*What is *gymenma sylvestre*?*

This climbing shrub has a long history of use in Ayurvedic medicine and is gaining support as helpful in controlling blood sugar levels in people with type 1 and 2 diabetes, as well as helping to reduce your craving for sweets.

### *What is stevia leaf extract?*

Stevia leaf extract is born from the sweet leaves of the stevia plant, which is a member of the chrysanthemum family and is native to South America. To extract the plant's intense natural sweetness, stevia leaves are harvested and dried. The leaves are then steeped in hot water. The resulting liquid extract is filtered, purified and dried, resulting in the crystalized stevia leaf extract.

### *Why is pomegranate fruit juice powder included in **ActiveBlendz Control**?*

Pomegranates not only supply part of Control delicious punch flavor, researchers believe they can help you lose weight by curbing hunger pangs.

### *Why grape fruit juice powder included in **ActiveBlendz Control**?*

Grape fruit powder pairs with pomegranate to supply the delicious refreshing flavor.

### *What are the natural colors used in **ActiveBlendz Control**?*

The natural colors in **ActiveBlendz Control** are derived from a proprietary blend of fruits. Individual ingredients are considered trade secrets and not disclosed.

### *What benefits might be observed from drinking **ActiveBlendz Control**?*

Superior formula, refreshing flavor and convenience aside, **Control** helps improve appetite control, support fat burning, jumpstart metabolic processes, support healthy blood sugar levels and reduce cravings.\*

### *Where is **ActiveBlendz Control** manufactured?*

All our products are manufactured in the USA.
