

Dollar Coffee Club's Natural Cellular Defense has been clinically formulated to help support a healthy immune system, remove heavy metals, toxins and other substances, and balance your body's pH levels.*

Natural Zeolite

*Natural zeolites form in nature as a result of a chemical reaction between volcanic lava and saline water. Zeolites have large open spaces or cages in their structures that form channels allowing the easy movement of ions and molecules into and out of the structure.**

Not All Zeolite is Created Equal

While many try to replicate Waiora NCD's exclusive zeolite formula, it is our micronization process that sets NCD apart from the rest. Not only is NCD's zeolite cage cleaned and activated to remove toxins that exist in the mineral's natural state, it is filtered and micronized to less than 3 microns. This is important because the smaller the particle size, the more readily it can become a colloidal liquid and be absorbed into the body.

The Most Important Supplement You'll Ever Take!*

Many years ago, volcanoes erupted and poured lava into the sea. The combination of lava, ash and salt from the sea caused a chemical reaction, and over thousands of years zeolites began to form in the hardened lava. Throughout Asia, powdered forms of specific zeolites have been used for centuries as traditional remedies to promote overall health and well being.*

The zeolite's honeycomb-like framework of cavities and channels (like cages) works at the cellular level attracting heavy metals and toxins. In fact, because it is one of the few negatively charged minerals in nature, zeolites act as magnets drawing toxins to it, capturing them in its cage, removing them safely and naturally from the body.

Natural Cellular Defense can help:

- Remove heavy metals, toxins and other substances from the body.*
- Support a healthy immune system.*
- Balance pH levels in the body.*
- Promote overall health and well-being.*

Each bottle contains 100 (3 drop) servings.

Preferred Customer \$40 • **Club Member: \$35** • **AutoShip: \$30**

Directions: Take 3 drops, 3 times a day. Place drops in your favorite drink or food, or place drops directly on your tongue.
