

**The weather isn't the only thing that's sizzling this summer.**

The Dollar Coffee Club (DCC) is running back-to-back **\$5,000** bonus pools in July and August. To earn your share of the bonus pool, think **"6"**.

*Here's how it works:*

#### **QUALIFICATION PERIODS**

- July 1 thru July 31
- August 1 thru August 31

#### **HOW TO QUALIFY**

- Earn one share by having 6 or more NEW Personally Enrolled (PE) Club Members in July.
- Earn an additional share each time one (1) of your NEW PE's gets 6 PE's. So you can earn a share in July with 6 active PE's and another share in August with the same PE's.

*Do it in July and earn twice!*

- 7 TOTAL potential shares each month.
- Can qualify BOTH months with same PE's.

#### **RULES & CRITERIA**

- Each month is a separate bonus pool and open to all DCC Affiliates.
- All Join orders for new Club Members must be purchased by and shipped to the new Member being enrolled.
- The maximum number of shares that can be earned in a month is seven.
- This incentive is open to all Club Members.
- To be eligible, Club Members must be active and in good standing with the company and be in compliance with all Policies & Procedures throughout the contest period and until the prize(s) is awarded.
