Affiliate Marketing Program

Income Opportunities

The Dollar Coffee Club (DCC) has an Affiliate Marketing Program that provides Club Members with a simple platform for sharing great products. The Program also provides the Club Members with the opportunity to create a part-time or full-time income. Anyone who joins the DCC as a Club Member can participate in this Affiliate program. As an Affiliate, you refer others to join as Club Members and earn various weekly and monthly bonuses. Being an Affiliate provides an excellent opportunity to build a home-based business and develop an immediate and recurring income stream.

There are four (4) ways Affiliates can generate an income:

- 1 Customer Rebates
- 2 Referral Bonuses
- 3 Product Box Bonuses
- 4 Annual Performance Bonus

These income opportunities are paid either weekly or monthly, providing Affiliates the potential to create an income that is paid up to 64 times a year.

1 CUSTOMER REBATES

DCC Members purchase products at the best prices which are discounted 15% to 30% off Customer prices. Affiliates market products directly to Customers using their DCC website / link and earn the difference between the Member non-AutoShip price and the Customer price.

As an example, if the Member price for a box of product is \$30 and the Customer price is \$35, the Member earns a five dollar (\$5) Customer Rebate on every box purchased.

Customer Rebates are paid on a weekly pay cycle, which begins and ends each Sunday at midnight. Payment is made the following Monday into the Club Member's electronic wallet.

There are no requirements to earn Customer Rebates other than being an Affiliate.

2 REFERRAL BONUSES

Referral Bonuses are earned when a Club Member shares the DCC with others who decide to join as Club Members. Each time a new Club Member joins you earn a \$40 Referral Bonus.

The Referral Bonus is paid on a weekly pay cycle, which begins and ends each Sunday at midnight. Payment is made the following Monday.

There are no requirements to earn the Referral Bonus other than being an Affiliate.

3 PRODUCT BOX BONUSES

Product Box Bonuses are earned by Affiliates on boxes of product purchased by Club Members and Customers. In addition to earning bonuses on boxes of product purchased by Members and Customers you personally enroll, you can also earn Product Box Bonuses on anyone who joins up to six (6) levels below you. (Club Members you personally enroll are on your first level, people they enroll are on your second level, etc.)

The requirements for the amount an Affiliate earns per box is as follows:

- 1 An Affiliate with a shipped, monthly subscription of four (4) boxes or more earns one dollar (\$1) on each box of product purchased by Club Members and Customers up to six (6) levels below you. (See requirements for levels earned.)
- 2 Affiliates with a shipped, monthly subscription of less than 4 boxes earns fifty cents (.50) on each box purchased by Club Members and Customers up to six (6) levels below you.

The requirements for the number of levels an Affiliate can earn on is based on the following two criteria:

- 1 The total number of active* Personally Enrolled (PE) Club Members with two (2) or more boxes each month.
- 2 The total number of boxes purchased by your PE Club Members and Customers each month.

Levels Earned	Minimum PE Club Members	PE Boxes Purchased**
1	1	4
2	2	8
3	3	12
4	4	16
5	5	20
6	6	24

* An active club member is defined as having two or more shipped boxes during the month.

** The minimum number of PE boxes purchased are those boxes purchased by Club Members and Customers you personally enrolled. It does not include your own personal boxes purchased.

Level	No. of Club Members / Customers	Boxes
1	6	24

4	162	648
5	486	1,944
6	1,458	5,832
